

# i RUFF YOU CRAYON BOX

BY JEN DEL MURO

## To Create Box:

**1** Score 9.25" x 6" pink cardstock at 3.5", 4.5" 8" and 9" across the short side. And score at 1" across the long side as shown on template. Cut along solid black lines.

**2** Cut circular window from rightmost 3.5" panel.

**3** With double sided adhesive, adhere 1" of the 12" of ribbon to the top of the inside of the window. Do the same at the bottom inside with the 24" ribbon. Fold on the scored lines, create and adhere box together.

**4** Create scallop frame for window opening and adhere around front of window.

*\*TIP: To keep frame down over the ribbon, apply a small amount of double sided adhesive to ribbon and attach to the box.*

**5** Stamp, color and cut out image and sentiment panels.

**6** Pierce around image panel, attach flag ended sentiment panel to image and adhere to box using dimensional glue dots.

**7** Attach button with twine bow in between sentiment and image panel.

## To Create Crayon Box Flap:

**1** Cut 3.5" circle using Nestabilities or other cutting system. Score 1/2" on either side of center of the circle.

*\*TIP: To find out where the center was, cut 2 circles and fold one in half and use as a guide.*

**2** Apply adhesive to one side of the scored circle and attach to back of crayon box, folding the remaining portion over the top and front of the box.

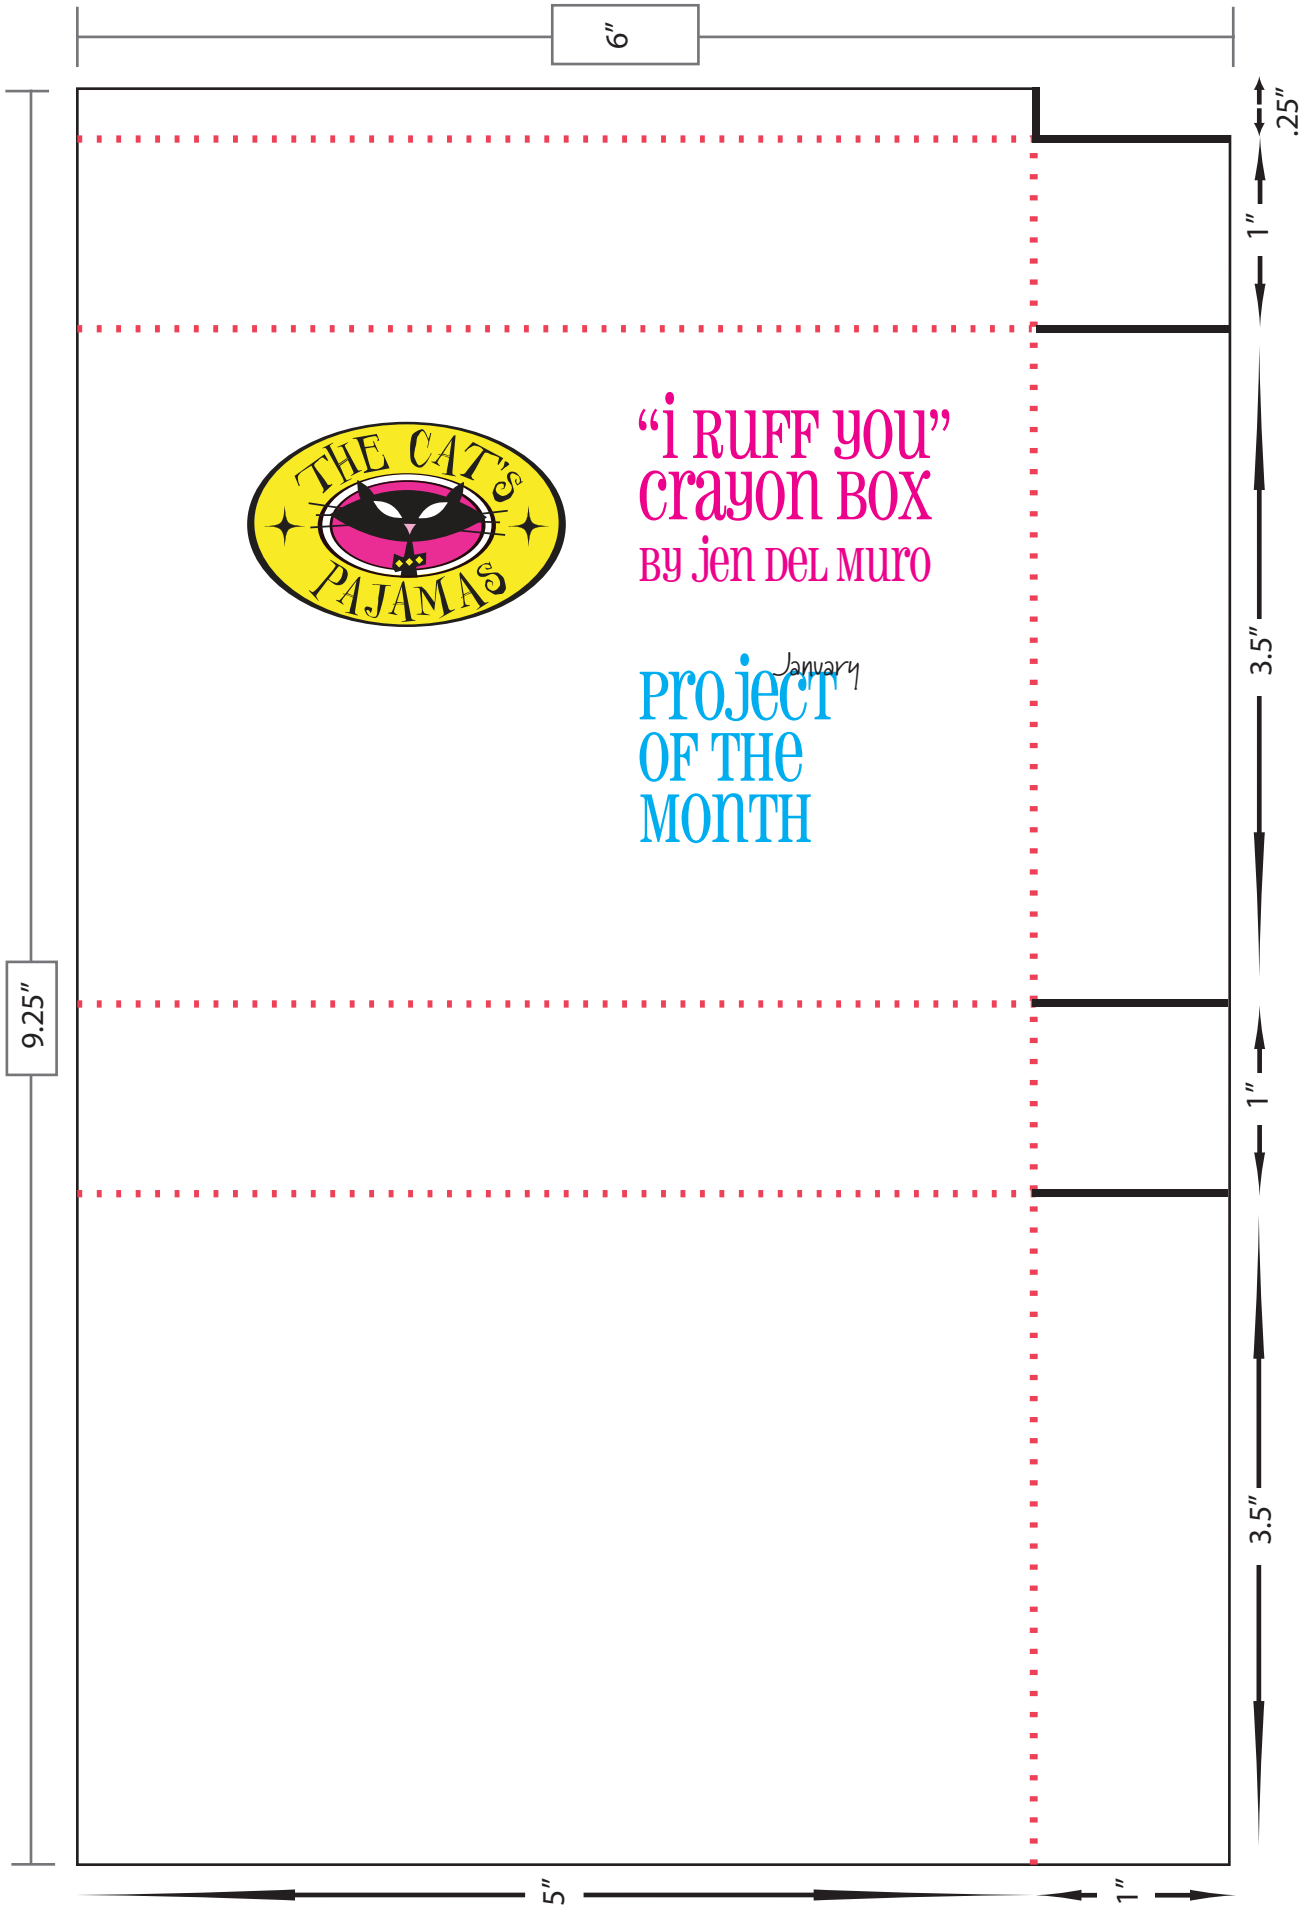

**3** Fill box as desired and wrap ribbon around and tie in bow.

**4** Adhere 2 hearts to each end of silver cording and tie under bow.
