### Carrier

- 1 Rub Stazon pad on corners of the carrier and on the edges of the handle. Set aside to dry.
- 2 Fold  $4\frac{7}{8}$ " x  $4\frac{1}{4}$ " Dotted paper in half to get a  $4\frac{7}{8}$ " x  $2\frac{1}{8}$ " piece. Place on top of the handle and use the carrier as a template to trace the handle. Use a craft knife to cut out the handle. Adhere the paper to the handle. Trim with ribbon.
- 3 Attach  $5$ " x  $\frac{3}{4}$ " striped paper around the bottom of the carrier. Attach 2 strips to the top front and back. On the sides, line up the  $5$ " x  $1\frac{7}{8}$ " paper to the bottom of the top strip on the front and back. Trim the top of the side paper. Fold over the angled part and adhere the flap to the inside.
- 4 On the sky patterned paper use the black ink to randomly stamp "Grad Hats". Then use the blue ink to randomly stamp "Dot Circle". Attach to all four sides. Cover where the papers meet with ribbon.
- 5 Use Marvy Markers to color "Grad Cat". Huff and stamp on white cardstock. Use Super Jumbo punch to punch out image. Doodle around the frame with black pen. Use Mega punch to punch out black cardstock. Attach "Grad Cat" to black scalloped oval. Attach to front of carrier foam tape.
- 6 Use black ink to stamp "Hats off to you" on white strip of cardstock. Doodle around the frame with black pen. Attach to black strip. Fold strip back and forward to make banner. Attach with foam tape under oval.

### Bottles

- 7 Choose four pages from the journaling book. Trim off the rough edges to get a  $2\frac{1}{4}$ " wide "label". Use black ink and stamp "It's your day". Stamp "Dot Circle" with blue ink. Write the date in the "Dot Circle. Attach the "label" to the bottle and trim the top with ribbon. Repeat on the remaining 3 bottles.
- 8 Carefully remove the label at the neck of the bottle and trace the shape on the remaining striped paper. Use the stickers to embellish. Repeat on the remaining 3 bottles.
